## Surrogate Alternatives Winter Retreat Update:

This month will be our 1st “Winter” Retreat hosted by SAI during the weekend of January 16th-January 18th. We are happy to report we are FULL to capacity. During the month of February we will have sign up forms for our Summer retreat in July. If a Surrogate attends our Winter Retreat they CANNOT attend the one in July, as we want all Surrogates who wish to attend, to be given that option. We hope to see you in January.....
