Surrogate of the Year 05'

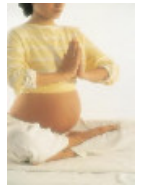

Surrogate Alternatives, Inc. was proud to present Kathy Kilby with our "Surrogate of the Year" award for 2005. Kathy has been a patient, kind & determined woman who will make a loving couple's dream come true, she is delivering their little boy on Valentine's Day! After 4 failed transfer's & 2 years Kathy became pregnant. She had to travel to Northern California from San Diego each time and had bonded so strongly with her couple she was determined for it to work. She is a model Surrogate Mother and we are proud to have her with our agency.
