SAI had an End of Summer Bonfire for our September Support Group Meeting. Surrogates were invited to bring their families. We roasted hot dogs, had Smores and Sandy baked home-made Chocolate Chip Cookies (YUMMY!). It was a lot of fun, we plan on making this a yearly event!!

IMPORTANT Agency News!!

Our retreat was such a blast this year, everyone showed up except for one last minute cancellation. Lisa delivered a VERY HEALTHY 10 lb. 4 oz baby boy on June 20th and was not up to attending (understandably). I was able to get some great photos of the birth for her memory album. Congratulations to the New Parents on the arrival of their son.

We would like to welcome all the NEW Surrogates to our group, July’s meeting had such a large turnout with quite a few Newbies in attendance! We hope you will find the meetings helpful and supportive throughout your journey.
